**Article HN : Czech firms in Turkey are doing.
The country is also attracted by subsidies**

In Hospodarske noviny published on April 11, 2016 article devoted to Czech companies in Turkey, whose creation he participated Chairman of the Chamber, Mr. Aleš Eppinger.

“Due to the current political and security situation in Turkey would Czech society from cooperation with Turkish partners certainly not discourage, says Aleš Eppinger, chief Českoturecké Chamber of Commerce.

Facts about the trade balance shows that Czech companies in the last seven years rolled the Turkish.

Turkey is a big market with about 80 million people and can serve as a starting point for other businesses to neighboring countries.”
